

Forever, We Dance

Yang Wang

Dance all of dances
 As a new dancer
Dance all of dances
 As a happy dancer
Dance all of dances
 As lifelong dancing friends
Dance all of dances
 As a forever young dancer

Forever, forever
 Pray the dancing spirit
 With you and me forever
Forever, forever
 I will be a happy soul
 As long as I can dance forever
Forever, forever
 Cherish the memory
 Nourish the friendship together
Forever, forever
 Should I feel so lucky
 To be a dancing friend with you forever
