

I've fallen under your charm (你如此迷人)

by Rongjun Zuo

- *A Solute Melody to our Dancing Masters*
- *You could sing it with the music of "I'd love you to want me"*

When I saw you raise your hand
I could not shift my eyes
When you move your feet to dance
I held my breath to feel the rhythm

Every swivel of your toe
Tapped my heart like a drum
Every turn of your hip
Took away my thought

Oh, baby
You were
sexy as Rumba
passionate as Samba
cute as Chacha

Oh, baby
You were
romantic as Tango
graceful as Bolero
and you waltzed away my blue

When I saw your every glide
My blood rose and fell like tide
When I followed your every move
I felt I could reach the sky

Oh, baby
You were
sexy as Rumba
passionate as Samba
cute as Chacha

Oh, baby
You were
romantic as Tango
graceful as Bolero
and you waltzed away my blue

I've fallen under your charm

Could I call it love
All the music notes became your steps
Leading me to the joyful height

Oh, baby
You were
sexy as Rumba
passionate as Samba
cute as Chacha

Oh, baby
You were
romantic as Tango
graceful as Bolero
and you waltzed away my blue
