

TO OUR BELOVED DANCING TEACHERS AND FRIENDS—
inspired by the philosophical insights, genuine sophistication and artistic elegance of Ma
Laoshi, Wu Laoshi and Jin Laoshi. And the sincere passion for dancing of us all.

ALL CAN BE LEARNED

Dancing is such an art to learn
An art to learn for my life time
When I know when to lead, when to follow
When to flow, when to hold
I know I am a better dancer

Love is such an art to learn
An art to learn for my life time
When I know when to get, when to give
When to be proud, when to appreciate
I know I am a better lover

Living is such an art to learn
An art to learn for my life time
When I know when to be humble, when to impress
When to work hard, when to play loose
I know I am having a better life

Parenting is such an art to learn
An art to learn for my life time
When I know when to be gentle when to be tough
When to praise, when to press
I know I am a better parent

.....

My dear friends, passion is the key, love is the essence
All are in our heart, all can be learned.
