

Registration Procedure for 2011 Spring Term

Tuition for the 2010-2011 School Year

Considering the current economy conditions, the board has decided to keep the tuition of 2010-2011 school year the same as last school year:

Cost per semester: first class only: \$150; second class only: \$130;
both classes: \$250.

This price applies to both children and adults, senior class \$50.

Registration

First of all, all in-school students will be pre-registered in the same classes as they are during fall term of 2010, because we consider the spring term of 2011 classes as continuous from the fall term of 2010.

For example if your child had registered the 1st grade class A in the fall term for 2010, the registration system will register your child in the same class of 1st grade class A for the spring term of 2011.

If you do not want to change your child's class, you just need to login into your account, check your child class schedule, sign up for parent duty, print out the summary sheet, then pay the tuition with your summary sheet either by mailing to

Newton, MA 02460

or handing in person during school time.
